INDEPENDENT AUDITOR'S REPORT

To the Unit Holders of HFAML -ACME Employees' Unit Fund

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of HFAML -ACME Employees' Unit Fund which comprise the statement of financial position as at 31 December 2025, and the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Fund as at 31 December 2025, and of its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs) and other applicable laws and regulations.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Fund in accordance with the International Ethics Standard Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) and we have fulfilled our ethical responsibilities in accordance with the IESBA code and the Institute of Chartered Accountants of Bangladesh (ICAB) Bye Laws. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matters

We draw attention to note #05 of the financial statements, which describes the Fund's investments in Global Islami Bank and Union Bank. These two banks have been subsequently merged with three other banks under the name "Sammilito Islami Bank PLC". The shares of the newly formed bank after merger are not traded on the stock exchange. Our opinion is not modified in respect of this matter.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with IFRSs and the Securities and Exchange Commission (Mutual Fund) Rules, 2001 & 2025 and other applicable laws and regulations for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Fund's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements.
- Or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

In accordance with the Securities and Exchange Commission (Mutual Fund) Rules, 2001 & 2025, we also report that:

- a) we have obtained all the information and explanation which to the best of our knowledge and belief were necessary for the purpose of our audit and made due verification thereof;
- b) in our opinion, proper books of account as required by law have been kept by the Fund so far as it appeared from our examination of those books; and
- c) the statement of financial position and statement of profit or loss and other comprehensive income dealt with by the report are in agreement with the books of account.

(i) For each mutual fund and for each of its schemes, where the prescribed trust deed does not specify or include an investment valuation method, the Commission shall, upon review, determine the investment valuation method.

Provided that, if the investment valuation method is specified or included in the prescribed trust deed or prospectus of the mutual fund, such valuation method may be followed provided that it is not inconsistent with the provisions of these Regulations; however, if any change in the valuation method is required, prior approval of the Commission shall be obtained

(ii) For each mutual fund and for each of its schemes, where the prescribed trust deed does not specify or include an investment valuation method, the Commission shall, upon review, determine the investment valuation method.

Provided that, if the investment valuation method is specified or included in the prescribed trust deed or prospectus of the mutual fund, such valuation method may be followed provided that it is not inconsistent with the provisions of these Regulations; however, if any change in the valuation method is required, prior approval of the Commission shall be obtained.

(iii) Without prejudice to sub-rule (1), if any security listed on the main board or SME platform of the stock exchange, or any listed or unlisted debt security in which investment has been made, is traded in very limited volume, the Asset Management Company shall, in accordance with the directions issued by the Commission from time to time, determine the fair value of such thinly traded securities using appropriate valuation techniques and asset management judgment, review such valuation on a quarterly basis, and disclose the relevant information in the annual report of the mutual fund.

4.2.1 Listed Securities

The listed securities are valued at the closing market price on the Dhaka Stock Exchange on 30th December, 2025 (the date of valuation) i.e the last trading date of December 2025.

4.03 Net Asset Value (NAV) Calculation

(a) The Fund determines its NAV per unit on the last business day of each week by dividing the value of the net asset of the Fund (the value of total assets less total liabilities as per Rule 60 of the সিকিউরিটিজ ও এক্সচেঞ্জ কমিশন (মিউচুয়াল ফান্ড) বিধিমালা, ২০০১ by the total number of outstanding units). The Fund uses the following formula to derive the NAV per unit:

Total NAV=VA-LT

NAV per unit= Total NAV/ No. of units outstanding

VA: Value of all securities in vault + Value of all securities placed in lien + Cash in hand and at bank + Value of all securities receivables + Receivables of proceeds of sale of investments + Dividend receivables net of tax + Interest receivables net of tax + Issue expenses amortized as on date + Printing, publication and stationary expenses amortized as on date.
